We collect and pay out, so you don't have to.

Businesses that collect from many payers and pay many payees juggle payment methods, slow settlement and manual payout runs, and money goes missing in between. As a registered Third Party Payment Provider, Omnea collects and pays out on your behalf through its sponsoring banks: one integration, money moving within a day, and every payment accounted for.

WHY BUSINESSES CHOOSE MOVE

1

Every way to get paid, one integration

Card, PayShap, EFT and debit order collections, matched to references and settled to you as one amount.

2

Payouts that leave only when funded

One funded batch, paid to every payee within a day, by the method that suits them.

3

Every payment accounted for

Collections reconciled, payouts tracked to paid or returned, and exceptions resolved by our team.

4

Less risk on every flow

Client money kept separate, fraud checks as payments pass through, FICA reporting and dual authorisation.

Pay out by EFT · PayShap · Mobile wallets, including VodaPay · ATM cash vouchers · Custom accounts in your own app

Overleaf: the evidence behind each point, and how to start.

THE EVIDENCE BEHIND EACH POINT

Everything in Connect, plus reconciliation, card acquiring and fraud management.

1

Every way to get paid, one integration

Card acquiring without your own scheme work, settled at T+1

PayShap payments and requests to pay

EFT collections

Debit order collections on agreed dates

2

Payouts that leave only when funded

Fund once for a payroll, supplier run or payout cycle

Nothing leaves until funded and matched: no credit exposure

Paid within a day by EFT, PayShap, mobile wallets, ATM cash vouchers or custom accounts

3

Every payment accounted for

Collections matched to references

Payouts tracked to paid or returned

Reconciliation done for you

Exceptions resolved by our operations team

4

Less risk on every flow

Funds in transit in dedicated TPPP accounts, apart from Omnea's own money

Fraud management as payments pass through

TPPP controls and FICA reporting

Dual authorisation and a full audit trail
